Dear Sir/Mam.

I am a Senior High School student of STI College Tagum, and I am required to complete eighty (80) hours of Work Immersion in partial fulfillment of the requirements of the Senior High School program.

In line with this, I would like to respectfully apply for work immersion training in your company. I believe that your organization will provide me with valuable opportunities to gain practical knowledge, develop relevant skills, and enhance my work ethics, which will greatly complement the competencies I have learned in school.

In return, I assure you of my willingness to learn, dedication, and commitment to perform assigned tasks responsibly and to be an asset to your company throughout the duration of my training period.

Enclosed herewith is my resume for your kind reference. I am sincerely hoping for your favorable consideration. Should you require further information, I may be reached through my email at mesias4388@gmail.com or my contact number at **09622421080**.

Thank you very much for your time and consideration.

Respectfully yours,

Zac Angelo Mesias
